			17 – 28 Oct 2016	

NOTE:

The venue of the listed Course is AIT, but any of these courses can be arranged in other locations. Courses are organized with collaboration with our partners of recognized Universities and Institutes' in the Philippines, Malaysia, Indonesia, Laos and Cambodia in Asia and also in Australia, Europe and North America. AIT has a satellite Center in Hanoi, Vietnam where our regular courses are held Vietnam. The tuition fee for two weeks program organized in Thailand, Indonesia, Malaysia, Philippines, Vietnam, Laos, and Cambodia is USD 2,500 per participants. Accommodation, daily subsistence allowance, international and domestic air travel, visa fee, medical and travel insurance are not included in the tuition fee. Tuition for other counties in Australasia, Europe and North America will depend on the specific countries.

The venue of the training is selected according to the clients' preference. The detail of the partner Institutes / universities will be sent to the client. All courses organized with the partner Institutes/Universities in overseas countries are conducted directly under the supervision of AIT.

A complete proposal is sent to the client upon their request. Proposal contains both the technical and financial proposal with the course contents, venues and the study visit organizations. Customized courses are prepared upon request of the client. Customized courses are designed according to the need of the client and the preference of the location by the client.
